

25 July 2010.

Dear Sir,

We are Australia leading manufacturer of acrylic bathtubs and are looking to broaden our range of products, hence are looking for reliable supplier of Enamel Steel Bathtubs for import to Australia.

Our company supplies all the major retail outlets and many residential and commercial projects with our products.

Kindly advise if you are able to supply Enamel Steel Bathtubs white color in following sizes:

150x70cm

160x70cm

Material gauge about 2mm

Baths to have Tile Bead (raised edges)

170x70cm

180x70cm

Material gauge about 3.5mm

Baths do not require Tile Bead

We would be pleased to receive your quotation based on full 20ft container loads.
Payment by LC.

Yours sincerely,

D. Doctor.
